

Advanced Placement Guidelines (effective 6/21)

1. Advanced Placement credit is awarded on the basis of appropriate scores in a number of disciplines (see Advanced Placement Policy). That credit satisfies discipline specific courses in the Converse General Education Program as indicated. Certain AP exams will satisfy GEP requirements that are not tied to a particular course at Converse. In addition, other AP exams allow credit for non-GEP courses. Whatever the case, **the student who has received AP credit in a particular area should not take the course at Converse.**
2. The student is responsible for making sure Converse has received all score reports from the College Board. AP credit cannot be granted without an official score report sent directly to the Associate VP for Academic Affairs. Alternatively, the report sent to the student may be used.
3. The mentor/advisor should verify whether or not each student has advanced placement scores. If the student indicates that she has AP scores, but the official report has not been received, **she should not be placed in any course for which she may have AP credit.** It is preferable to postpone taking a course based on the assumption that AP credit will be received rather than taking the course and thereby forfeiting the AP credit.

Guidelines for Discipline Specific AP Scores

1. **ART—Drawing.**
 - a. For a score of 3 on AP Drawing, the student will receive 3 hours of art elective credit.
 - b. For a student to receive credit for ART 113: Drawing I, he/she must make a 4 or 5 on the AP Drawing portfolio and provide a portfolio for the studio faculty to review. If denied Drawing I credit, he/she may still receive 3 hours of art elective credit.
2. **MUSIC THEORY**
 - a. For a score of 3, exemptions (no credit) in Music Theory will be awarded on the basis of placement tests at Converse.
 - b. A score of 4 or 5, awards 3 credits for MUT 101.

- 3. ENGLISH.** There are two separate AP exams in English; English Language/Composition and English Literature/Composition. The student may have taken either one or both.
- a. A score of 3 on the Lang/Comp exam places the student in English 290, Advanced Composition, at Converse. Upon successful completion of ENG 290, the student will receive an additional 3 credits for ENG 101, Composition.
 - b. A score of 3 on the Lit/Comp exam places the student in English 290, Advanced Composition, at Converse. Upon successful completion of ENG 290, the student will receive an additional 3 credits for ENG 102, Intro. to Literary Types. The student is also exempt (no credit) from ENG 101.
 - c. If the student has taken both exams with a score of 3, she places in English 290, Advanced Composition, at Converse. Upon successful completion of ENG 290, the student will receive an additional 6 credits for ENG 101, Composition, **AND** ENG 102, Introduction to Literary Types.
 - d. A score of 4 or 5 on either exam awards 6 credits for both ENG 101, Composition, **AND** ENG 102, Introduction to Literary Types.
- 4. LANGUAGES.** Students who receive a score of 3 or higher may receive credit in French, German or Spanish. The amount of credit is dependent on BOTH the AP score and the Converse language placement exam in each language.
- a. Students who score a 3 on the AP exam will normally receive 3 credits for FRN, GER, or SPN 102, provided that the appropriate placement exam verifies the AP score. They are thereby exempt (no credit) from FRN, GER, or SPN 101.
 - b. Students who score a 4 or 5 on the AP exam may receive 3 or 6 credits for FRN, GER, or SPN 102 and 201, depending upon the appropriate placement exam score. They are thereby exempt (no credit) from FRN, GER, or SPN 101.

CONVERSE COLLEGE **Advanced Placement Policy** (Effective 6/2021)

Converse regularly grants academic credit to students who have achieved a specified minimum score on the Advanced Placement Tests of the College Entrance Examination Board. These tests are based on college-level courses taken in high school, and are administered by the high school faculties, not by Converse.
